⑨ Memorandum repty

⑪ 31 December 31, 1940

MEMORANDUM FOR DR. THOMAS W. HARKELL.

SUBJECT: Report of Administration of Trial Form of Shop Mathematics Test at C.C.C. Camp No. 1391, December 30, 1940.

Number

⑭ AGO-104

⑫ 6

1. Lieutenant Sheridan, Camp Commander, stated that there were about 100 boys in the camp. However, only 57 boys were present to take the test; the rest left the camp when they learned that a test was to be given. Two of the 57 boys who did appear were illiterate and were excused. Lieutenant Sheridan expressed the opinion that most of the boys were quite dull in intelligence and would experience marked difficulty with a shop mathematics test.

2. Conditions under which the test was administered were quite poor. The lighting was very inadequate, the room was cold, and the noise from the adjoining kitchen was very distracting. Most of the boys appeared to have reached a limit after about 30 minutes. However, they were allowed to work for a full hour. Most of the boys began to leave after 40 minutes, and about 30 were still present at the end of the 60-minute period.

3. The group as a whole appeared to be quite young, and Lieutenant Sheridan stated that some of the boys were probably younger than seventeen years of age.
